

DETERMINATION OF NONSIGNIFICANCE

Forest Practice Application Number: 2810813

Description of proposal: Even-aged harvest of 3.5 acres. This parcel is located on Platted Property, the applicant does not propose to convert and Skagit County has indicated that no permits will be required from the county. This proposal does not allow clearing or grading activity or any activity which will require a permit from the local government, therefore the DNR is Lead Agency for this proposal.

Proponent: Jean Stone

Location of proposal, including street address, if any: Northwest 1/4 of the Southeast 1/4 of Section 5, Township 36N, Range 4 East, Skagit County, Washington. Parcel #48896, 19487 Silver Creek Drive, Sedro Woolley, 98284.

Lead agency: Washington State Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

Key Environmental Issues: None.
